

# **My Favorite Year Cast List**

## **A Note from Marcus**

### **To All Who Auditioned...**

Thank you for all of your time and hard work. It did not go unnoticed. Casting is a very delicate thing. We had to put together the right group of people for this particular play, keeping in mind everyone's scheduling conflicts, voice parts, age, experience, etc. If you were not cast in this production, don't be discouraged. Please know that you can still register for Mainstage and be involved in Cabaret, Dance Troupe and One Acts. Again, thank you for your efforts. We enjoyed seeing every one of you.

### **To the Cast...**

I am so excited to begin this process and I hope you are too. If, for some reason, you do not want to accept your role, please call me at 610.724.6647 today. There are many specific and fun ensemble roles that will be cast after our first rehearsal. Please come to the general meeting this Monday, June 16<sup>th</sup> at 7:15 pm, and join us for rehearsal at 8:00 pm. Bring clothes and shoes that you can dance in.
